

Who qualifies for off-campus lunch privileges? Students who qualify and are permitted to go off campus during lunch are any seniors or juniors who maintain 60% or higher in all classes. The Off Campus Lunch form must be completed, returned, and the \$10.00 ID fee must be paid through Charterpay.org.

Students will use a school ID that they will scan as they exit off campus for lunch. The ID card needs to be carried daily with the student and shown to the faculty or staff member at the off-campus lunch exit/entrance. No ID card = no off-campus lunch. Students will be permitted to leave campus once the form and fee has been submitted. A replacement ID is \$12.00.

The school assumes **NO LIABILITY** for any accident or injury incurred in the exercise of this privilege.

Students who commit any code of conduct infractions during their time off campus are subject to disciplinary actions by administration and immediate loss of all off-campus lunch privileges for the next 365 days.

If a student at the end of the previous school year commits a major behavior infraction, within 9 weeks of the end of the year, this infraction will carry over into the new school year and off-campus lunch privileges will not be granted.

The Head of School and/or Parent reserves the right to revoke off-campus lunch privilege to students as deemed fit. Students do not have the right to appeal this decision as this is considered a privilege and not a right.

How do I lose my off-campus lunch privilege? Please read the following criteria carefully:

- 4 or more tardies at the beginning of the school day per semester, excused or otherwise, unless a doctor's note is provided, will result in the loss of your privilege. If after 9 weeks you have not been tardy, your ID will be returned.
- 2 tardies returning from lunch will constitute the lose student's privilege for 9 full weeks.
- Any service detention assignment in which the teacher deems you should ALSO lose your lunch privilege because of the infraction will result in loss of privilege for 9 full weeks.
- Any complaints from the businesses the students of LSA patronize will result in the loss of privilege for 9 full weeks.

Can I bring food back for my friends who do not have off-campus lunch? No. Outside food or drinks will not be permitted in the building. Your bookbag or any other bag is subject to a check when you return from lunch. You may not purchase food for teachers even if you are requested to do so.

Can I bring food back for myself to eat in the lunch room? No. No outside food is permitted to be brought back into the building.
