

STUDY HALL WAIVER REQUEST

Longleaf School of the Arts operates a yearlong, A/B schedule with a Study Hall built into each student's schedule for the year. Students who are highly motivated to extend their learning beyond LSA's typical college preparatory/Arts enhanced curriculum may request a Study Hall waiver. A waiver might be approved for a student to request an additional advanced art course or other honors/AP course. It is highly recommended that a student have an A/B average to request the waiver.
